Friday 14th December

- School Council - "Winter Jumper Day"
- Year 2 Christmas Production (9:30am in the school hall - please enter via the school office on Nelgarde Road)

Year 5 and 6 Indoor Athletics Competition

"When the day for the Athletics competition came we were all very excited. After the short walk up to Prendergast Ladywell School, where the event took place, it finally began.

We each did four activities, including running, jumping, throwing and a relay race. Even though we were all nervous, the whole team did extremely well. We didn't win but we really enjoyed working as a team."

By Grace (6F)

3C Class Assembly

On Thursday, 3C did a great job of reminding everyone how different school life is for children today when compared with school in Victorian times.

Through song, dance and drama they demonstrated all of the historical facts they have learned and had a lot of fun as well.

One of the most memorable parts was Efrata's performance as the strict Victorian teacher who used the cane, a dunce's cap and other forms of punishment to keep order.

Thank you to all of the friends and family who came to watch and support this event.

Late Collection

We are concerned that there are an increasing number of children being collected after 3:20pm

These late collections cost the school a lot of money as we have to pay some staff additional time to be responsible for the children who are left.

Please note that the school has a very clear Charging and Remissions Policy that states:

In cases where a child is not collected within 15 minutes of the end of the school day or after school activity a charge of £5.00 will be made to the parent/carer for the first 15 minutes of non-collection, and then £1.00 thereafter for each minute that the child is not collected.

While we do not wish to issue these fines we are currently being left with little alternative.

Year 2 Toy Exhibition (Memorable Experience)

At the end of each topic, at Holbeach, the children's work is showcased in a memorable experience.

On Thursday morning, it was Year 2's chance to share some of the great learning that they had been involved in during their topic on 'Toys'.

"We had a Toy Exhibition in class that we invited our parents and reading buddies to visit. We showed them our Jumping Jacks, Spinners and Windsocks that we had designed and made. They read our instruction booklets too so that they knew how to make a Jumping Jack.

It was so exciting for us and our parents really loved the chance to see our work and talk to us all about it." Max and Kennedy, 2T

How quickly can you work your way across these rows?

LEVEL 1						ANSWER
6	x8	-12	HALVE IT	÷6	X BY ITSELF	

LEVEL 2						ANSWER
21	2/3 OF THIS	TRIPLE IT	+54	÷8	X BY ITSELF	

Taran is thinking of a number.

The difference between $\frac{2}{5}$ of my number and $\frac{1}{10}$ of my number is 18

What number is Taran thinking of?

Leon buys a magazine and a teddy.

The teddy costs 80p more than the magazine.

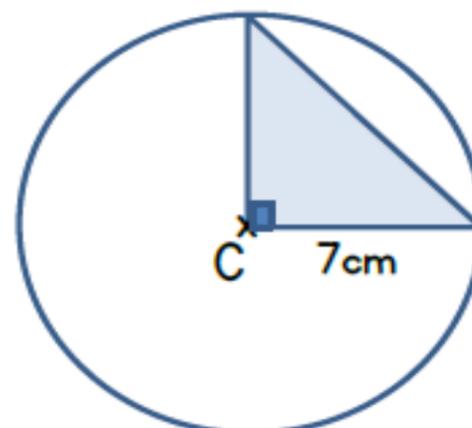

Leon pays with a £10 note and gets £3.08 change.

How much does the teddy cost?

5		6		4	1
1	3		6	2	
		1			
	5			6	
3	1		4		
4	6		2	1	

The diagram shows a right-angled triangle inside a circle.

C is the centre of the circle.

What is the area of the triangle?
