### Year 4 Science Workshops with Crewe Theatre

On Monday, Year 4 took part in a workshop about how the human body works. We learned a lot and it was very enjoyable! We were shown how the nerves that are connected to the brain help us use our five sense (hearing, smelling, touching, feeling and seeing). We also learned about the importance of having a balanced diet with some protein, carbohydrate, vitamins/minerals, fats and sugars in it. The workshop really helped us with our topic 'Amazing Me!' **By Sami and Atifa (4A)**

### Year 5 and 6 Road Safety Workshop

On Thursday, we watched a short play about staying safe around the roads.

The play made us think about different ways we could make roads safer. One way would be to walk to school (and other places) or use bicycles/scooters instead of cars. This would be healthy too.

It also reminded us to concentrate carefully when crossing the road. For example, we should not be looking at our mobile telephones when crossing the road as we might not see the traffic coming.

When the actors talked about cars idling (leaving the engine on but not driving anywhere) we were able to tell them about our anti-idling campaign and what we already know about pollution. **By Abdoulie and Joshua (5C)**

### 3B Class Assembly

"I really liked 3Bs assembly. They showed us lots of rocks and they told us about them. I liked it when they put water on the different types of rock and we saw what happened. For some of the rocks the water went into the rock and for other rocks the water didn't go into it." **Omar (2T)**

"My favourite bit was when they sang us a song about how fossils are made and how they can be found in rocks. It made me think about when I am in Year 3 and that there is loads of learning about rocks and I would like to try it!" **Kehinde (2T)**

### Over £5,000 raised so far and rising!

On Sunday 10th March, several members of staff, Governors and parents/carers completed the London Vitality Big Half Marathon and raised more than £5,000 for the school in doing so.

Thank you to everyone who ran on a very windy day. There was a great sense of camaraderie and community among the Holbeach runners (many of whom were captured on BBC iPlayer toughing it out).

A huge thank you also goes to everyone who sponsored them to do the run. It was a truly memorable event.
