

Topic Title: Once Upon A Time

This term the focus is on children beginning to learn Traditional Tales. We will be reading the children traditional fairy tale stories and books featuring different story characters. We would love to share tales from other cultures too. If you have any books for us to share, please bring them to Nursery.

WOW!

Has your child done something at home that has made you say "wow?" Maybe they got dressed by themselves, got a certificate from a club they go to or learnt a new skill.

We would love to hear about the children's achievements at home. Please send pictures with a small explanation to our nursery email account-

nursery@holbeach.lewisham.sch.uk

Nursery Rhymes

Alongside Traditional Tales, we will also be learning traditional Nursery Rhymes.

We will be sending home a Nursery Rhyme of the week so that the children can share the rhyme with their families.

Maths

This term we will be learning about 2d shapes. Please continue this learning at home in a practical way.

For example, ask your child if they would like their toast cut into squares, triangles or rectangles?

In the Nursery we provide lots of play based memorable experiences. These experiences allow the children to demonstrate the key skills we have learnt over the week.

We are particularly looking forward to the following events:

- Making gingerbread men
- Visiting a care home to sing some nursery rhymes.

Wrap up warm!

At Holbeach, we value the importance of outdoor play and go outside in all weathers. Please ensure your child brings a hat and coat to Nursery.

We encourage children to put on and take off their own coat. Please also encourage this at home.
