

9th November 2020

Dear Parent/Carer,

SCHOOL PHOTOGRAPHY
Holbeach Individual Portraits – Autumn 2020

Following our recent 'Contactless School Photo Day', we are pleased to be able to offer all parents the chance to order their school photos via our user-friendly online service.

The discount deadline on your proof card states 18th November – however, as these proof cards needed to be quarantined for 4 days before sending out, the discount deadline has since been extended for you until 22nd **November**. (You can of course still order after this date, however, as you will miss free batch-delivery to the school, you'll be required to add an extra £3.99 for next-day delivery to your home address.) Unfortunately, no cash purchases can be accepted at this time.

We hope you are pleased with the final images. Most photography needed to be taken outside, regardless of weather conditions, so our photographers did their utmost to ensure that you'll receive a good image. Social-distancing limitations also meant that pupils needed to take personal responsibility for straightening their own ties and styling their hair – with a varying degree of success. Rest assured that our photographers did what they could in sometimes wet and blustery conditions – and we hope you that you can be understanding with regard to these circumstances.

You may also notice that sadly there will be no sibling photos on offer this year – due to the logistical problem of maintaining bubbles at all times. The good news is, that with the new online system, you will still be able to edit, crop and mix-and-match your favourite poses from different proof cards within some of the packs on offer by visiting our photographers secure online shop.

To make an online purchase: you'll simply need to enter the 'Unique Code' shown on your 'Proof-card'. You should receive your Proof Card/s along with this letter. Once you have your Proof card simply follow the instructions below:

1. Visit the photographers website at: www.pictureboxschools.com
2. Then enter your Unique Code to view and purchase your photographs.

Depending on how many children you have at the school, you may receive more than one Proof-card and therefore have more than one code to enter.

Delivery Times: It may be worth noting that if you choose free 'batch delivery' to the school then your order will be processed alongside all the other orders as soon as the 10% discount deadline has passed. These orders are delivered to the school approx ONE WEEK after this date.

If you need your photos sooner, or were hoping to forward them onwards to relatives abroad, it might be worth opting for the £3.99 postage charge as this would mean that processing begins immediately and includes protective-packaging and rapid delivery to your home address*.

Many thanks
