

Topic Title: Once Upon A Time

This term the focus is on children beginning to learn **Traditional Tales**. We will be reading the children traditional fairy tale stories and books featuring different story characters. We would love to share tales from other cultures too. If you have any books for us to share, please bring them to Nursery.

WOW!

Has your child done something at home that has made you say "wow?"

Maybe they got dressed by themselves, got a certificate from a club they go to or learnt a new skill.

We would love to hear about the children's achievements at home. Please send pictures with a small explanation to our nursery email account:

Memorable experiences

In the Nursery we provide lots of play based memorable experiences. These experiences allow the children to demonstrate the key skills we have learnt over the week.

We are particularly looking forward to the following events:

- Making gingerbread men
- Using real tools like the Three Little Pigs
- Tasting Goldilocks' porridge

Dental Health

This term, we will be teaching the importance of a good dental health routine.

Always make sure your children brush twice a day and have regular dental check-ups.

Maths

This term we will be learning about the numbers 1 to 5. You can help at home!

- Play board games using a dice and get your child to count/recognise the dots.
- Look for any numbers when you're out and about.
- Give children practical mathematical problems such as "Can you get me 2 pens?"

Wrap up warm!

At Holbeach, we value the importance of outdoor play and go outside in all weathers. Please ensure your child brings a hat and coat to Nursery.

We encourage children to put on and take off their own coat. Please also encourage this at home.

Nursery's Secret Garden

We will be visiting our garden area every week where we will be learning about nature, growing and how to care for plants and minibeasts
